Macedonian girl -
 a grist of beautiful flowers
 fresh picked up from the garden
 a gift from the heavens.

Can you tell me is there
 in this world
 more beautiful girl than the macedonian.
 No there is no and there will not be
 more beautiful girl than the macedonian

When she showed her
 hear like a silk
 she is pretty, prity even more
 than a fery

Can you tell me

When she started singing
 she sang more beautiful
 than a ninthingale,
 when she started dancing
 my hart started to dance
 also.

Can you tell me . . .
